E – Mail Authorization Form Authorization to Utilize Unencrypted Email to Communicate Protected Health Information

Thank you for your request to communicate with me, Laurie Leventhal-Belfer, PhD, via e-mail. I want to make sure that you understand that e-mail communications between us are not encrypted and therefore are not considered secure communications. If you elect to communicate with me from your workplace computer, you also should be aware that your employer and his/her agents may have access to any such e-mail communications between us. Finally, e-mail communications may become a part of your patient medical record.

Incoming e-mail communications will be reviewed and responded to as soon as possible. If you have not heard from me and are concerned that I may not have received the message, please call my office. **E-mail communications should never be used in the case of an emergency or for urgent requests for information.**

Please indicate your understanding of all the above and your acceptance of non-secure e-mail communication of your protected health information (“PHI”) by checking the appropriate box below and signing this form.
